Cinderella Event deck

Groups and Charter customers are invited to hire parts of the car deck as, for example, a large activity area. The event deck can be used only when the ship is in dock. Included in the rental price for such a booking is:

- textile coverings for the floor
- drapes for the walls
- ceiling lights
- electricity drawn to two central mains
- Viking Public Internet connections

Additional interior decoration and/or equipment can be ordered, with all costs paid by the customer

The following rules and regulations issued by the Swedish Maritime Administration must be followed when renting any of these four sections, for group and charter customers.

- No vehicles or other methods of transportation containing fuel, propellants, flammable liquids, or dangerous substances may be present on the car deck during the time it is being used for the event.

- The water tight passenger doors (on either side of A and B area) may not be opened during the event. These doors may only be opened when the Cinderella is berthed at her dock or otherwise lies at anchor.

Bookings via Viking Line 3 months in advance. The Event deck must be booked also for the cruise previous and after the event, because of work needed to transform the space for conference needs. Read more at vikingline.se.
